## *5 Biggest Obstacles Standing in the Way of Your Success!*

1. **Your Daily Habits:** What routines and rituals do you have that keep you aligned with what's most important every day?
2. **Clutter and Disorganization:** Got a ton of piles staring you in the face as you try to get important work done? What about the emails dropping through the cracks due to electronic overload?
3. **Your Unrealistic Expectations:** Once we start setting ourselves up for what we are truly capable of doing every day, we enjoy success vs. defeat.
4. **Your DIY Mentality:** How long are you going to keep doing everything yourself? When you just stay in your lane, and get others to contribute their expertise, that's when the quantum leap happens.
5. **Your missing the daily *F.O.C.U.S. Formula* for moving forward!**
